

**CG TIMETABLING**

- Session numbers: The first number corresponds to the actual session of the quasi-experiment and the second corresponds to the file specifically indicated.
- Total number of sessions: 36 (2 devoted to the *FCE* tests and questionnaires).
- Activities in italics indicate that they should have been set as homework the day before. For example: Regarding session 7/1, students should have been informed in session 6/5 about the “Vocabulary Builder” exercises to be done as homework for correction in the following class.
